2018-2019

24th Annual H.O.P.E. Contest

TEACHER DIRECTIONS

Sponsored by the Humane Society of Greater Miami, Adopt-A-Pet, and Miami-Dade County Animal Services Department

This Year's Contest Theme is:

Methods to Make Pet Ownership Less Expensive

Approximately 7.6 million companion animals enter animal shelters nationwide every year.

Approved by:

Miami-Dade County Public Schools' District Contest Committee

Help Overcome Pet Euthanasia/Helping Our Pets Every day

This year, the H.O.P.E. Contest will focus on
Methods to Make Pet Ownership Less Expensive.

Many unwanted dogs and cats find their way to the Humane Society of Greater Miami and Animal Services of Miami-Dade. This large population of abandoned animals is often the result of mistreatment, neglect or cruelty. In some cases, people adopt pets but are unaware of rules, restrictions, and responsibilities that may result in owners returning their animals to the shelter. For others, the cost associated with pet ownership become prohibitive.

The Humane Society of Greater Miami/Adopt-A-Pet, and Miami-Dade Animal Services want to make sure all pets get the love and care they deserve while emphasizing the value of organizations that help protect animals.

This year, students are required to answer questions and address "Methods to Make Pet Ownership Less Expensive".

Detailed project information including a STUDENT DIRECTIONS brochure will be sent through e-mail. A hard copy will be sent through school mail.

Expect to receive all necessary information two weeks after you enroll. This information will later be made available at <http://district3.dadeschools.net> (Dr. Karp's School Board web page) where a link to the H.O.P.E. Contest can be found.

To Enroll:

Please email Maria Delgado at medelgado@dadeschools.net and provide the following information:

School name and mail code number
Sponsoring teacher name and phone number
**To enter the contest you must enroll by
Friday, October 5, 2018**

Team Division: Elementary, Middle and High School students
Only 2 - 4 students per team please.

Classroom Division: Elementary students only
The entire class may participate.

Once you enroll specific instructions will be given.

**The final report is due Friday, February 8, 2019.
No exceptions will be made.**

All projects and materials will be returned
to the teacher by the end of the school year.

Friendly tip: Get a head start! Work on projects
During winter recess.

For a humane education visit you may contact the Humane Society at 305-749-1820 (Lisa DePriest) or Miami-Dade County Animal Services at 305-418-7159 or Lubia.Rodriguez@miamidadegov (Lubia Rodriguez).
